

LearnER – Logging In

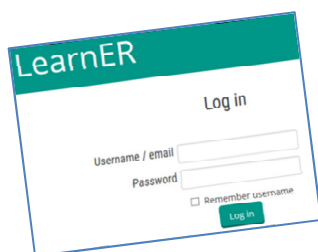

Logging into LearnER

Each learner uses a unique **Username** and **Password** to access Modules and Resources on **LearnER**.

LearnER is accessible on

<http://elearning.eastriding.gov.uk/moodle> from any internet accessible device. Click the **Log In, Register and Forgotten Passwords** on the top right of the window to access to **Log In** screen.

On the **Log In** screen, input your **Username** or **email** and your **Password** and click **Log in**.

Accessing Modules and Resources

Once you are logged in to **LearnER**, use either the *Course Categories* or *Available Course* options towards the bottom of the first screen to find Modules and Resources of interest.

You don't have, or you have forgotten your Username or Password

Take a look at the:

- **LearnER – New User** handout if you have never had a **Username** and **Password**.
- **LearnER – Forgotten Username or Password** handout if you have forgotten your **Username** and **Password**.
